

ANDRES FELIPE DEL CHIARO BRODMEIER

Frontend Developer & Geologist
Universidad del Norte

+57 3135948642 - anchibro@hotmail.com

<https://www.linkedin.com/in/delchiaroa/>

Barranquilla, Colombia

PROFESSIONAL PROFILE

Frontend web developer specialized in React with knowledge in JavaScript, TypeScript, and third-party libraries/frameworks such as TailwindCSS, Redux, React Query and React Router. Fluent level of English and Spanish (mother tongue), and basic level in Portuguese. With skills in leadership, teamwork and data analysis. I've worked one year as a mudlogger for Datalog SAS in oil and gas wells.
